SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st March, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule no. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

LCC PROJECTS PRIVATE LIMITED,

'B' Wing, 15th Floor, Privilon Building, Vikram Nagar

Ambli-Bopal Road, Behind ISKCON Temple

Ahmedabad GJ 380058 IN

We have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by LCC PROJECTS PRIVATE LIMITED (CIN: U45500GJ2017PTC100301) (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended on 31st March, 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made there under; (Not Applicable to the Company)
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under; (Not Applicable to the Company)
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not Applicable to the Company)
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"): (Not Applicable to the Company)
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (Not Applicable to the Company)
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; (Not Applicable to the Company)
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not Applicable to the Company)

- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the Audit Period) (Not Applicable to the Company)
 - (e) Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and Securities and Exchange Board of India (Issue and Listing of Non- Convertible Securities) Regulations, 2021; (Not applicable to the Company during the Audit Period) (Not Applicable to the Company)
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not Applicable to the Company)
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and (Not applicable to the Company during the Audit Period) (Not Applicable to the Company)
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company)
- (vi) The Company has complied with the other applicable laws which is listed below.
- (a) The Employees' Provident Fund Act, 1952
 - (b) The Gujarat Labour Welfare Fund Act, 1953
 - (c) The Employees State Insurance Act, 1948
 - (d) The Workmen's Compensation Act, 1923
 - (e) The Payment of Gratuity Act, 1972
 - (f) The Contract Labour (Regulation & Abolition) Act, 1970
 - (g) Interstate Migrant Workmen Act, 1979
 - (h) The Bonus Act, 1965
 - (i) Shop and Establishment act, 1948
 - (j) Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996
 - (k) The Maternity Benefit Act, 1961
 - (l) POSH Act, 2013

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. (Not Applicable to the Company)

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors ~~and Independent Directors~~. There was no change in the composition of the Board of Directors during the year under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were usually sent seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

There were no dissenting views on any matter.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has no specific events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards:

INDEPENDENT AUDITOR'S REPORT

To,
The Members of,
LCC PROJECTS PRIVATE LIMITED
CIN: U45500GJ2017PTC100301
Ahmedabad

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone financial statements of **LCC PROJECTS PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity for the year, Statement of Cash flows for the year then ended, and notes to the standalone Financial Statements, including a summary of Significant Accounting Policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its Profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis our audit opinion on the Standalone Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation and presentation of other information. The other information comprises the information included in the report of Board of Directors and its committees, but does not include the Standalone Financial Statements and auditor's report thereon.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management and those charged with the Governance for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the presentation of these Standalone Ind AS financial statements that gives a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity, and cash flows of the company in accordance with the Indian Accounting Standard ("Ind AS") specified under Section 133 of the Act and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors are also responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- (a) Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
- g) As being Private Limited Company, the requirement of the auditor of the other matter to be included in the independent Auditor's Report in accordance with the requirement of section 197 of the Act, as amended is not applicable.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigation on its financial position in its financial statements. Refer Note No.39 to the Standalone Financial Statement.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(iv)

- (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) The company has not declared or paid dividend during the year, hence compliance with section 123 of the Companies Act, 2013 is not applicable.
- (vi) Based on our examination, which included test checks, the Company has used accounting software's for maintaining its books of account for the financial year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software's. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure - B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE - A

“Annexure A” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of LCC Projects Private Limited

Report on the Internal Financial Controls under Clause (f) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **LCC PROJECTS PRIVATE LIMITED (“the Company”)** as of March 31st 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management of company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE- B

Annexure to the Independent Auditors' Report of even date on the Financial Statements of "LCC PROJECTS PRIVATE LIMITED"

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of LCC Projects Private Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that: –

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
- (a)
- A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right-of-use asset.
- B. The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, Plant and Equipment have been physically verified during the year by the Management in accordance with program of physical verification, which in our opinion, provides for physical verification of all Property, Plant and Equipment at reasonable intervals having regard to size of the Company and nature of fixed assets. Based on our audit and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based upon the audit procedure performed and according to the records of the company, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is lessee and the lease agreements are duly executed in favor of the lessee), disclosed in the financial statements included under property, plant and equipment are held in the name of the company as at the balance sheet date.
- (d) According to the information and explanations given to us, we report that the Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year. Accordingly, the reporting under paragraph 3(i)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceeding has been initiated on or pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and rules made thereunder. Accordingly, the provisions stated in paragraph 3(i)(e) of the Order are not applicable to the Company.

(ii)

- (a) According to the information and explanations given to us, the inventory of have been physically verified by the management at regular intervals. In our opinion the coverage and procedure of such verification by the management is appropriate. There were no discrepancies of 10% or more in the aggregate for each class of inventory were noticed when compared with the books of account.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets and immovable properties. We have been informed that based on discussions between the Company's management and the respective lenders, the Company has been filing monthly statements on mutually agreed basis for reporting of current assets, represented by adjusted balances of Accounts receivables (excluding withheld balances by the respective debtors), Accounts payable (excluding payables to service vendors, provisions and balance for retention payable), Inventory (except Goods in Transit), Contract assets (for outstanding upto three months), Advance to suppliers and Mobilization Advances. These statements, which have been filed by the Company are in agreement with the books of account of the Company for such respective months.

(iii)

- (a) The Company has granted unsecured loans or advances in the nature of loans, either repayable on demand repayment is at the discretion of the borrowers to Companies as stated below. Of these, following are granted to promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013: in the nature of sub-ordinated debt to wholly-owned subsidiaries and provided guarantee during the year.

- A. During the year the company has provided loans or advances and provided guarantee during the year and details of which are given below:

(Rs. In Lakhs)

Particulars	Bank Guarantee	Loans
Aggregate of amount granted/ provided during the year and Bank Guarantees given -Subsidiary Companies and Joint Venture	2,743.08	888.66
Balance outstanding as at balance sheet in respect of above case (including opening balance)	49,524.21	943.11

- B. The company has not provided advances in the nature of loans, stood guarantee or provided securities to any other companies, firm, Limited liability Partnership or any other parties.
- (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the terms and conditions in relation to loans granted and investments made are not prejudicial to the interest of the Company.

- (c) Interest has not been charged and stipulations for repayment of principal amount has not been made against loans outstanding at the year end from the subsidiaries. In the absence of stipulation of repayment terms, we are not able to comment on the regularity of repayment of principal and payment of interest.
- (d) Since the repayment schedule for such loans is not stipulated, no loan is overdue for more than ninety days and accordingly reporting with respect to recovery of principal and interest is not applicable. According to the information and explanations given to us and on the basis of our examination of the records of the Company, in respect of loans given to Subsidiary companies, the aforesaid loans are either repayable on demand of the Company or repayable at the option of such Subsidiary companies. Therefore, in respect of aforesaid loans, there is no amount which is overdue for more than 90 days.
- (e) As per information given to us, no loan or advances in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.
- (f) As per information given to us, the Company has not granted loans or advances in the nature of loans repayable on demand and without specifying any terms or period during the year, accordingly reporting under clause 3(iii)(f) of the Order is not applicable to the Company.
- (iv) In our opinion, and according to the information and explanations given to us, the Company is engaged in providing infrastructural facilities as specified in schedule VI of the Act and accordingly, the provisions of Section 186, except sub section (1), of the Act are not applicable to the Company. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186(1) of the Companies Act, 2013 in respect of the loans and investments made by it.
- (v) According to the information and explanations given to us the Company has not accepted deposits (including deemed deposits) from the public within the meaning of Sections 73 to 76 of the Act, and the rules framed there under. Therefore, the reporting requirements of paragraph 3(v) of the Order, is not applicable to the Company.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under Section 148 (1) of the Act and are of the opinion, that prima facie, the prescribed cost records have been made and maintained. However, we have not made a detailed examination of such records with a view to determine whether they are accurate or complete.

(vii) In respect of statutory dues:

(a) According to the information and explanations given to us and records produced before us, the company is generally regular in depositing undisputed statutory dues including Provident Fund (PF), Employees' State Insurance (ESIC), Professional Tax, income-tax, duty of customs, cess, goods & service tax and any other statutory dues to the appropriate authorities though there have been few delays in case of goods and service tax and tax deducted at source. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, cess and other material statutory dues were in arrears as at March 31, 2024 for a period of more than six months from the date they became payable except those mentioned below:

Name of the Statute	Period to which the amounts relate	Amount (Rs. In Lakhs)
Income Tax	AY 2008-09 (FY 2007-08) to AY 2014-15 (FY 13-14)	1.66

(b) According to the information given to us and documents submitted to us, we report that statutory due referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below:

Name of the Statute	Amount of Demand raised (Rs. In Lakhs)	Amount under Dispute Deposited (Rs. In Lakhs)	Period to which the amount relates	Forum where the dispute is pending

Goods & Service Tax	46.46	46.46	FY 18-19	DC of CGST, (Rajasthan)
Goods & Service Tax	11.41	11.41	FY 17-18	The Commissioner (Appeals) of CGST (Rajasthan)

- (viii) According to the information and explanation given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) According to the information and explanation given to us,
- (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) To the best of our knowledge and belief and as per the information and explanations given to us by the management, in our opinion, the Company has applied term loan for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been used for long term purposes by the Company.
- (e) According to the information explanation given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from an any entity or person on account of or to meet the obligations of its subsidiaries, associates or jointly controlled operations.
- (x) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, jointly controlled operations or associate companies, hence the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.
- (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x) (a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.

- (xi)
- (a) According to the information available with us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) According to the information available with us, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and hence reporting under clause 3(xi)(c) of the Order is not applicable.
- (xii) The Company is not a Nidhi Company. Accordingly, clause 3 (xii) (a) to 3 (xii) (c) of the Order are not applicable
- (xiii) As per information and explanation given to us and on the basis of our examination of the records of the Company, all the transactions with related parties are in compliance with section 177 and 188 of Companies Act 2013, wherever applicable, and all the details have been disclosed in Standalone Financial Statements as required by the applicable Indian Accounting Standards.
- (xiv)
- (a) In our opinion and based on our examination the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit report of internal auditor for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) As per information and explanation given to us, during the year the Company has not entered into any non-cash transactions with its, Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)
- (a) According to the information given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi) (a), (b) and (c) of the Order is not applicable to the Company.
- (b) The Group does not have any CIC as part of group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) As per information available with us, the Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx)
- (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) in respect of projects other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under this clause is not applicable.
- (b) According to the information available with us, the company has transferred amount remaining unspent under sub-section (5) of Section 135 to the Companies Act, in respect of ongoing projects in compliance with the provision of sub section (6) of section 135 of the said act.

Notes to Standalone Financial Statements

1. CORPORATE INFORMATION

(‘the Company’), incorporated in under the provisions of Companies Act, is a company domiciled in India with its registered office situated at

The company is engaged in the business of construction of roads and highways, bridges, irrigation and mining projects, construction of commercial buildings, and other ancillary services like toll collection, operation and maintenance of highways.

2. BASIS OF PREPARATION

a. Basis of Preparation:

Standalone Financial Statements of the Company have been prepared as per Indian Accounting Standards (Ind AS) in accordance with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, notified under Section 133 of Companies Act, 2013, (the ‘Act’) and other relevant provisions of the Act.

The financial statements were authorized for issue in accordance with a resolution of the directors on **July 02, 2024**

Standalone Financial Statements have been prepared on the historical cost convention, except for certain financial instruments that are measured at fair value at the end of each reporting period in accordance with Ind AS.

For all periods up to and including the year ended 31st March 2022, The Company prepared its financial statements in accordance with accounting standards as prescribed under Section 133 of the Companies Act, 2013 (the ‘Act’) read with Rule 7 of the Companies (Accounts) Rules, 2014 (referred to as ‘Indian GAAP’). These financial statements are the Company’s first Ind AS financial statements. The Company has adopted all the Ind AS standards and the adoptions were carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards. Previous period numbers in the financial statements have been restated to Ind AS. Reconciliations and descriptions of the effect of the transition have been summarized in Note 41. The details of the first-time adoption exemptions availed by The Company is given in Note 41. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. First time Adoption of Ind AS

These are the Company’s first standalone financial statements prepared in accordance with Indian Accounting Standards (Ind AS). For the year ended March 31, 2023, the Company had prepared the standalone financial statements in accordance with Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act (‘Previous GAAP’).

The accounting policies set out in Notes to the Standalone Financial Statements have been applied in preparing these standalone financial statements for the year ended 31 March 2024 including the comparative information for the year ended March 31, 2013 and the opening Ind AS balance sheet on the date of transition i.e. April 1, 2022.

A handwritten signature in black ink, appearing to be 'R. K. K.'.

A handwritten signature in blue ink, appearing to be 'S. M.'.

Notes to Standalone Financial Statements

In preparing its Opening Ind AS Balance Sheet as at April 1, 2022 and in presenting the comparative information for the year ended 31 March 2023, the Company has adjusted amounts reported previously in financial statements prepared in accordance with Previous GAAP. This note explains the principal adjustments made by the Company in restating its financial statements prepared in accordance with Previous GAAP and how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows and disclosures.

- **Exemptions and Exception availed on first time adoption of Ind AS**

In preparing these Ind AS financial statements, the Company has availed certain optional exemptions and mandatory exceptions in accordance with Ind AS 101 from previous GAAP to Ind AS, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Company in restating its previous GAAP financial statements as at April 1, 2022 and the financial statements as at and for the year ended March 31, 2023.

- **Deemed Cost of Property, Plant and Equipment (PPE)**

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 'Intangible Assets. Accordingly, the company has elected to measure all of its property, plant and equipment, intangible assets and investment properties at their previous GAAP carrying value.

- **Investments in Subsidiaries and Associates**

The Company has elected to carry forward the Previous GAAP amounts at the date of transition as the deemed cost for investment in equity shares of subsidiary and associate companies.

- **Use of Estimates**

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates are based on conditions/information that existed at the date of transition to Ind AS i.e. April 1, 2022 and are consistent with the estimates as at the same date made in conformity with previous GAAP. The company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- Fair Valuation of Financial Instruments carried at FVTPL or FVOCI;
- Impairment of financial assets based on expected credit loss model;
- Discount Rates considered for measurement of financial instruments and provisions

- **Derecognition of financial assets and financial liabilities**

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements provided that the information needed to apply Ind AS 109

Notes to Standalone Financial Statements

to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions. The Company has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS .

- **Classification and measurement of financial assets**

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Consequently, the Company has applied the above assessment based on facts and circumstances existing on the transition date

- **Impairment of financial assets**

The Company has applied impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date.

- c. **Functional and Presentation Currency**

These Standalone Financial Statements are presented in Indian Rupees (INR), which is the also the functional currency. All amounts have been rounded off to the nearest lakhs, except per share data, face value of equity shares and expressly stated otherwise.

3. SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The application of the Company's accounting policies in the preparation of the Standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, accompanying disclosures and disclosures of contingent liabilities. Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognized prospectively. Actual results may differ from these estimates which could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

- a. **Current/Non current Classification:**

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i. the asset/liability is expected to be realized/settled in the Company's normal operating cycle;
- ii. the asset is intended for sale or consumption;
- iii. the asset/liability is expected to be realized/settled within twelve months after the reporting period;
- iv. the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- v. In the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

A handwritten signature in black ink, appearing to be "A. K. Singh".

A handwritten signature in blue ink, appearing to be "S. B. Maloo".

Notes to Standalone Financial Statements

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

b. Key Sources of estimation uncertainties

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described in the below mentioned notes

- **Property, Plant and Equipment and Intangible Assets**

Useful lives of tangible and intangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical estimates and advice, taking into account the nature, estimated usage and operating conditions of the asset. Component Accounting is based on the management's best estimate of separately identifiable components of the asset.

- **Fair value measurement of financial instruments**

In estimating the fair value of financial assets and financial liabilities, the Company uses market observable data to the extent available. Where such Level 1 inputs are not available, the Company establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

- **Defined benefit plans**

The cost of the defined benefit plan and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Information about the various estimates and assumptions made in determining the present value of defined benefit obligations are disclosed in Note 36.

- **Current / Deferred Tax Expense**

Significant management judgement is required to determine the amounts of current taxes, deferred taxes and tax credits that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

A handwritten signature in black ink, appearing to be "Pratik".

A handwritten signature in blue ink, appearing to be "VB".

Notes to Standalone Financial Statements

- **Revenue Recognition based on Percentage of Completion**

Based on the output performance method such as survey of performance undertaken by qualified professionals, percentage of completion for each project is derived. Accordingly, based on percentage of work completed, contract revenue is recognised in the financial statements.

- **Provision for estimated losses on construction contracts**

When it is probable that total contract costs will exceed contract revenues, the expected loss is required to be recognized as an expense immediately. The major component of contract estimate is budgeted costs to complete the contract. While estimating the total costs, management makes various assumptions such as the timeliness of project completion, the estimated costs escalations and consumption norms.

4. SIGNIFICANT ACCOUNTING POLICIES

a. Property, Plant and Equipment

- **Recognition and Measurement**

Property, Plant and Equipment are measured at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, non-refundable taxes and duties and all other costs attributable to bringing the asset to its working condition for intended use and estimated costs of dismantling and removing items and restoring the site on which it is located. Financing costs relating to borrowing funds attributable to acquisition of Property, Plant and Equipment are also included, for the period till such asset is put to use.

Spare parts and servicing equipment are recognized as property, plant and equipment, if they meet the definition property, plant and equipment and are expected to be used for more than one year. All other items of spares and servicing equipment are classified as item of inventories.

Subsequent Expenditure is capitalized only if it is probable that the future economic benefit associated with the expenditure will flow to the company and cost of the asset can be measured reliably.

Property, Plant and Equipment not ready for its intended use on the reporting date is disclosed as Capital Work-in-Progress and carried at cost.

- **Depreciation**

Depreciation on Property, Plant and Equipment is provided on the Written down value over the useful life of the assets as prescribed under Schedule II to the Companies Act, 2013. In respect of the Property, Plant and Equipment purchased during the year, depreciation is provided on pro rata basis from the date on which such asset is ready to be put to use. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any such change in the estimate accounted for on a prospective basis.

The estimated useful lives of items of Property, Plant & Equipment as prescribed in Schedule II of Companies Act, 2013, are as follows

[Handwritten signature]

[Handwritten signature]

Notes to Standalone Financial Statements

Asset Class	Estimated Useful Life
Buildings (incl. temporary structures)	3 - 60 Years
Plant & Machineries	3 - 15 years
Office Equipment	5 - years
Furniture & Fixtures	10- years
Vehicles	8 - 10 years
Computers & Peripherals	3 - 6 years

- **Derecognition**

Carrying amount of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

b. Intangible Assets

- **Recognition and Measurement**

Intangible assets with finite useful lives that are acquired separately are measured on initial recognition at cost and carried at cost less accumulated amortization and accumulated impairment losses.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in profit and loss statement.

- **Amortization**

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method. Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

The estimated useful lives of Intangible assets are as under:

Asset Class	Estimated Useful Life
Software application	3-12 years

- **Derecognition**

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognized.

c. Impairment of Tangible and Intangible Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order

[Handwritten signature]

[Handwritten signature]

Notes to Standalone Financial Statements

to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

d. Inventories

Stock of construction materials, stores & spares and embedded goods and fuel is valued at cost or net realizable value, whichever is lower after providing for obsolescence, if any, except in case of byproducts which are valued at net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and directly attributable overheads incurred in bringing them to their present location and condition. Cost is determined on moving average method.

e. Foreign Currency Transactions

Transactions in foreign currencies are translated into the respective functional currencies of the Company at the exchange rates at the date of the transaction or at an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Nonmonetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in profit or loss.

Handwritten signature

Handwritten signature

Notes to Standalone Financial Statements

f. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as a part of the cost of such asset. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All others borrowing cost are recognized in the profit and loss in the period in which they are incurred.

g. Revenue Recognition

The Company has applied Ind AS 115 - Revenue from Contracts with Customers which is effective for an annual period beginning on or after April 1, 2018. The following is the significant accounting policy related to revenue recognition under Ind AS 115.

- **Service income**

It requires a contract as well as the various performance obligations contained in the contract to be identified. The number of performance obligations depends on the types of contracts and activities.

The fundamental principle is that the recognition of revenue from contracts with customers must reflect;

- the rate at which performance obligations are fulfilled, corresponding to the transfer to a customer of control of a good or service;
- Amount to which the seller expects to be entitled as consideration for its activities. The way in which transfer of control of a good or service is analyzed is crucial, since that transfer determines the recognition of revenue. The transfer of control of a good or service may take place continuously (revenue recognition on a progress towards completion basis) or on a specific date (recognition on completion).

Service income is recognized as per the terms of contracts with the customers when the related services are performed as per the stage of completion or on the achievement of agreed milestones and are net of indirect taxes, wherever applicable.

Contract amendments (relating to the price and/or scope of the contract) are recognized when approved by the client. Where amendments relate to new goods or services regarded as distinct under Ind AS 115, and where the contract price increases by an amount reflecting "stand-alone selling prices" of the additional goods or services, those amendments are recognized as a distinct contract.

Goods and Service Tax [GST] is not received by the Company on its own account. Rather, it is tax collected on value added to the goods by the Company on behalf of the government. Accordingly, it is excluded from revenue.

- **Sale of Goods**

Revenue from the sale of goods is recognized as revenue on the basis of customer contracts and the performance obligations contained therein. Revenue is recognized at a point in time when the control of goods is transferred to a customer. Control lies with the customer if the customer can independently determine the use of and consume the benefit derived from a product or service. Revenue from product deliveries are recognized at a point in time based on an overall assessment of the existence of a right to payment, the allocation of ownership rights, the transfer of risks and rewards, and acceptance by the customer.

A handwritten signature in black ink, appearing to be "F. K. K."

A handwritten signature in blue ink, appearing to be "S. M. S."

Notes to Standalone Financial Statements

- **Other Income**

Interest income is recognized on a time proportion basis, by reference to the principal outstanding and the applicable Effective Interest Rate (EIR). The EIR is the rate that exactly discounts estimated future cash payments or receipts through the expected life of financial instruments to:

- The gross carrying amount of the financial assets, or
- The amortized cost of the financial liability

Dividend income is recognized when the right to receive dividend is established.

h. Contract Balance

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

i. Employee Benefits

- **Defined benefit plans**

The company's gratuity benefit scheme is defined benefit plan. The company's net obligation in respect of defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The Company accounts for the liability for the gratuity benefits payable in future based on an independent actuarial valuation carried out using Projected Unit Credit Method considering discounting rate relevant to Government Securities at the Balance Sheet Date.

Defined benefit costs in the nature of current and past service cost and net interest expense or income are recognized in the statement of profit and loss in the period in which they occur. Actuarial gains and losses arising from defined benefit plans in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and is reflected immediately in retained earnings and not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment.

Notes to Standalone Financial Statements

The Company determines the net interest expense/ (income) on the net defined benefit liability/ (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability/ (asset), taking into account any changes in the net defined benefit liability/ (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

- **Defined Contribution plan**

Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employee.

- **Compensated Absences**

Employees can carry forward a portion of the unutilized accrued leaves and utilize it in future service periods or receive cash compensation on termination of employment. Provision for Compensated Absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method as at the reporting date.

- **Short Term Employee Benefits**

All employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits. These are measured on an undiscounted basis and expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

j. **Income Tax**

Income tax comprises of current tax and deferred tax. It is recognized in the profit and loss statement, except to the extent that it relates to and item recognized directly in equity or in other comprehensive income.

- **Current Tax**

Current tax comprises of the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Notes to Standalone Financial Statements

Current tax assets and current income tax liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted at the reporting date.

The company being company providing an infrastructure development / maintenance and operation services is eligible to claim deduction u/s 80IA of Income-tax Act, 1961 with respect to 100% profits or gains for this business for any 10 consecutive assessment years out of 15 years beginning from the year in which the undertaking or the enterprise develop and begins to operate an infrastructure facility.

• Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities in the company's financial statements and the corresponding tax bases used in computation of taxable profit. Deferred Tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Any tax credit available is recognised as deferred tax to the extent that it is probable that future taxable profit will be available against which the unused tax credit can be utilized. The said asset is created by way of credit to the statement of Profit and loss and shown under the head of deferred tax.

k. Segment Reporting

In accordance with the requirements of Ind AS 108 - "Segment Reporting", the Company is primarily engaged in a business of Infrastructure Development and has no other primary reportable segments. Further, the Company operates on Pan India basis and accordingly has no reportable geographical segments. The Managing Director of the Company allocates the resources and assess the performance of the Company, thus he is the Chief Operating Decision Maker (CODM). The CODM monitors the operating results of the business as a single segment, hence no separate segment needs to be disclosed.

A handwritten signature in black ink, appearing to be "Pankaj".

A handwritten signature in blue ink, appearing to be "V. S. Maloo".

Notes to Standalone Financial Statements

I. Provisions Contingent Liabilities & Contingent Assets

A provision is recognized when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated at the reporting date.

Provision are recognized base on the best estimate of the management with respect to the amount required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows when the effect of the time value of money is material.

Disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

A contingent asset is not recognized but disclosed in the financial statements where and inflow of economic benefits is probable.

m. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

- **Financial assets**

(i) **Initial recognition and measurement of financial assets**

All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss are added to the fair value on initial recognition. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e. the date that the Company commits to purchase or sell the asset.

(ii) **Subsequent measurement of financial assets**

For purposes of subsequent measurement, financial assets are classified in three categories:

- **Financial assets at amortized cost:**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Notes to Standalone Financial Statements

- **Financial assets at fair value through other comprehensive income:**

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

- **Financial assets at fair value through profit or loss:**

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as at FVTPL.

- **Equity Investment in Subsidiaries and Associates**

Investments in equity shares of subsidiaries and associates and other equity investments in subsidiaries in subsidiaries and associates are carried at cost less impairment, if any.

- **Investments in Equity Instruments**

All Equity Investments falling within the scope of Ind AS – 109 are measured at Fair Value through Profit and Loss (FVTPL) with all fair value changes being recognized in profit and loss statement.

- **Financial assets at fair value through profit or loss**

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as at FVTPL.

(iii) De-recognition of financial assets

A financial asset is de-recognized when the contractual rights to the cash flows from the financial asset expire or the Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

A handwritten signature in black ink, appearing to be "P. K. K."

A handwritten signature in blue ink, appearing to be "S. S."

Notes to Standalone Financial Statements

(iv) Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

• Financial Liabilities

(i) Initial recognition and measurement of financial liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

All financial liabilities are recognised initially at fair value. All financial liabilities are recognised initially at fair value and, in the case of loan and borrowings and payable, net of directly attributable transaction costs.

For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(ii) Subsequent measurement of financial liabilities

The measurement of financial liabilities depends on their classification, as described below:

• Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

• Loans and Borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

[Handwritten signature]

[Handwritten signature]

Notes to Standalone Financial Statements

- **Compound Financial Instrument**

Compound financial instrument are separated into liabilities and equity component based on the terms of the contract. At the inception, the fair value of liabilities component is determined using the market rate. The amount is classified as a financial liabilities measured at amortised cost until it is extinguished on redemption.

(iii) **Derecognition of financial liabilities**

A financial liability (or a part of a financial liability) is derecognised from its balance sheet when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if the Company currently has enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

n. **Lease**

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i. **Short term leases and leases of low value of assets**

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment. It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

A handwritten signature in blue ink, appearing to be "Rohit".

A handwritten signature in blue ink, appearing to be "S. Maloo".

Notes to Standalone Financial Statements

o. Fair Value Measurement

The company measures financial instrument such as Investment in Mutual Fund at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market price in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on yearly basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

Notes to Standalone Financial Statements

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Significant accounting judgements, estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Financial instruments (including those carried at amortized cost)

p. Cash and Cash Equivalents

Cash and Cash Equivalents in the Balance Sheet comprise cash on hand, bank balance in current and cash credit accounts and short term highly liquid instruments.

q. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

r. Interest in Joint Arrangements

As per Ind AS 111 - Joint Arrangements, investment in Joint Arrangement is classified as either Joint Operation or Joint Venture. The classification depends on the contractual rights and obligations of each investor rather than legal structure of the Joint Arrangement.

s. RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

	Level 1	Level 2	Level 3
Financial Assets			
a) Financial assets measured at Fair Value Through Profit and Loss (FVTPL)	-	-	-
Investments	0.65	-	-

Valuation technique used to determine fair value:

Level 1 : It includes Investment in equity shares and mutual fund that has a quoted price and which are actively traded on the stock exchanges. It is been valued using the closing price as at the reporting period on the stock exchanges.

Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : These instruments are valued based on significant unobservable inputs whereby future cash flows are discounted using appropriate discount rate.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

C Capital Management

- i) For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.
- ii) Consistent with others in the industry, the Company monitors its capital using Gearing Ratio, Net Debt (Short Term and Long Term Borrowings including Current maturities) divided by Total Equity (Capital plus Net Debt).

- iii) In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define the capital structure requirements.

D Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include trade and other receivables, and cash & cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a Current Corporate Affairs Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. This committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedure and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each risk, which are summarised as below:

1 Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of interest rate risk, foreign currency risk and commodity risk.

1.1 Interest Rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's working capital obligations with floating interest rates. The Company is carrying its working capital borrowings primarily at variable rate. The Company expects the variable rate to decline, accordingly the Company is currently carrying its loans at variable interest rates.

The sensitivity analysis have been carried out based on the exposure to interest rates for loans carried at variable rate.

Particulars	As at March 31, 2024	As at March 31, 2023	As at April 1, 2022
Financial Liabilities:			
a) Variable Rate Borrowings (Rs. in Lakhs)	35,723.45	26,788.60	11,400.17
% change in interest rates	0.50%	0.50%	0.50%
Impact on Profit for the year (₹ in Lakhs)	178.62	133.94	57.00
b) Fixed Rate Borrowings (₹ in Lakhs)	5,534.67	582.55	353.42
Financial Assets:			
a) Fixed Rate deposits with bank (₹ in Lakhs)	20,176.53	14,416.01	6,117.09

1.2 Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have significant exposure in foreign currency. The details of the same have been given in Note 38

[Handwritten signature]

[Handwritten signature]

1.3 Commodity Risk

The Company is affected by price volatility of certain commodities such as various types of pipes, Cement and Steel (Iron & Steel) etc. Its operating activities require the on-going purchase or continuous supply of such commodities. There the Company monitors its purchases closely to optimize the prices. The risk of price fluctuations in commodities is mitigated by the price escalation clause as included in the contracts with the customers.

The Company is effected by the price volatility of certain commodities such as Bitumen, Cement and Steel (Iron & Steel) etc.

(Rs. in Lakhs)

Particulars	As at March 31, 2024	As at March 31, 2023	As at April 1, 2022
DI, HDPE, and other Pipes	1,18,727.39	3,120.34	22,504.55
Cement	3,304.66	3,120.34	3,006.90
Steel (Iron & Steel)	6,706.12	4,482.23	3,519.06

The sensitivity analysis below have been determine based on reasonably possible changes in price of the respective commodity occurring at the end of reporting period, while holding all other assumption constant.

(Rs. in Lakhs)

Particulars	Price Variation	As at March 31, 2024	As at March 31, 2023	As at April 1, 2022
DI, HDPE, and other Pipes	5%	5,936.37	156.02	1,125.23
Cement	5%	165.23	156.02	150.34
Steel (Iron & Steel)	5%	335.31	224.11	175.95

2 Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

The Company is having majority of the receivables from Government Authorities and hence they are secured from credit losses in the future.

3 Liquidity Risk

The Company monitors its risk of a shortage of funds by estimating the future cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, cash credit facilities and bank loans. The Company has access to a sufficient variety of sources of funding.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

(Rs. in Lakhs)

Particulars	Within 1 Year	2 to 5 Year	More than 5 Year	Carrying Amount

Discount Rate (per annum)	7.19%	7.50%
Annual Increase in Salary Cost	7.00%	7.00%
Rate of Employee Turnover	For service 4 years and below 18.00% p.a. For service 5 years and above 7.00% p.a.	5.00%

Mortality Rates as given under Indian Assured Lives Mortality (2012-14.) Ultimate Retirement Age 60 Years.

vi. Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and attrition rate. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting year, while holding all other assumptions constant. The results of sensitivity analysis is given below:

(Rs. in Lakhs)

Particulars	As at March 31, 2024	As at March 31, 2023
Defined Benefit Obligation(Base)	179.32	88.48

Particulars	As at March 31, 2024		As at March 31, 2023	
	Decrease	Increase	Decrease	Increase
Discount Rate (- / + 1%)	17.61	14.80	11.08	9.09
(% change compared to base due to sensitivity)	9.82%	8.26%	12.53%	10.28%
Salary Growth Rate (- / + 1%)	13.47	15.73	9.21	10.81
(% change compared to base due to sensitivity)	15.22%	17.78%	10.41%	12.22%
Withdrawal Rate (-/+10%)	0.89	1.00	0.41	0.48
(% change compared to base due to sensitivity)	1.00%	1.13%	0.46%	0.54%

vii. Effect of Plan on Entity's Future Cash Flows

a) Maturity Profile of Defined Benefit Obligation

Weighted Average duration of the defined benefit obligation - 3.41 years

Particulars	As at March 31, 2024	As at March 31, 2023
Duration of the defined benefit obligation (discounted)		
1st Following Year	23.29	8.32
2nd Following year	8.88	3.30
3rd Following Year	11.08	3.53
4th Following Year	13.64	6.89
5th Following Year	17.50	6.21
Above 5	362.33	256.19
Total	436.72	284.44

The discount rate is based on the prevailing market yields of Government of India's securities as at the balance sheet date for the estimated term of the obligations.

The defined plans expose the Company to actuarial risks such as Interest rate risk, Salary risk, Investment risk.

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increase the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit.

Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

[Handwritten signature]

[Handwritten signature]

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk

Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very low as insurance companies have to follow stringent regulatory guidelines which mitigate risk

Actuarial Assumptions

Particulars	As at March 31, 2024	As at March 31, 2023
Discount Rate (per annum)	7.19%	7.50%
Annual Increase in Salary Cost	7.00%	7.00%
Rate of Employee Turnover	For service 4 years and below 18.00% p.a. For service 5 years and above 7.00% p.a.	5.00%

Mortality Rates as given under Indian Assured Lives Mortality (2012-14) Ultimate Retirement Age 60 Years.

Notes to Standalone Financial Statement

Note 41 : First-time adoption of Ind AS continue

Notes

1 Adjustments of the Previous Period

Adjustment to the previous period represent cumulative change in retained earnings upto beginning of the respective reporting

2 Adjustment to the opening balance of retained earning

For the purpose of Proforma Ind AS Standalone financial information for the year ended March 31, 2022, the Company has followed the same accounting policy as initially adopted on the transition date (i.e. April 1, 2022). Accordingly, suitable restatement adjustments in the accounting heads are made to the Proforma Ind AS Standalone financial information in the opening retained

3 Investments

Fair value of mutual fund investments Under IGAAP, Mutual fund investments were valued at cost or market value whichever is lower. As per Ind AS 109, mutual fund investments needs to be stated at fair value. The difference between fair value and book value

4 Other Non current financial assets

Financial assets in the form of non-current interest free deposits retained by the customers have been accounted at fair value on the date of transition to Ind AS and subsequently measured at amortised cost using the effective interest rate method.

5 Deferred Tax(Net)

The Company on restatement has reassessed deferred tax asset and deferred tax liability taking into consideration the income tax rates prevailing in the respective years for timing difference or temporary differences as applicable and corresponding charge / credit has been made in the Profit and Loss Statement for the year to which it pertains.

6 Trade Receivable

As per Ind-AS 109, the Company applies Expected Credit Loss (ECL) model on Receivables and the same is provided in restated financials to the receivable pertains to respective years.

7 Current tax assets

Interest on Income Tax Refund has been recorded in the year of receipt. Also considered the tax impact of income tax return / assessment / orders of earlier years in the year of crystallisation of demand / refund. On restatement, such amounts have been recorded in respective year to which the income tax assessment relates.

8 Other Non current financial liabilities

Financial liabilities in the form non-current deposits of vendors retained by the Company has been accounted at fair value on the date of transition to Ind AS and subsequently measured at amortised cost using the effective interest rate method.

9 Remeasurements of post-employment benefit obligations

interest expense on the net defined benefit liability are recognised in other comprehensive income instead of statement of profit and loss under the previous GAAP. Consequently, the profit for the year ended March 31, 2017 increased by H0.08 Million. There is no impact on the total equity and profit

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of **LCC PROJECTS PRIVATE LIMITED** (hereinafter referred to as the "the Holding Company") (CIN- U45500GJ2017PTC100301) and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2024, the Consolidated Statement of Profit and Loss, including other comprehensive income, the Consolidated Cash Flow and the consolidated Statement of Changes in Equity for the period then ended, and notes to the consolidated financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at March 31, 2024, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI"), together with the ethical requirement that are relevant to our audit of the consolidated financial statements under the provisions of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Information other than Consolidated Financial Statements and Auditor's Report Thereon

The Group company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including the Annexure to the Board's Report, Share Holder's Information etc., but does not include the consolidated financial statement and auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is material misstatement of this information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Consolidated Financial Statements

The Group Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("hereinafter referred to as the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows, consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Group, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of Group companies are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding on the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances as regard to whether the Group company has adequate internal financial controls system in place and operating effectiveness of such controls as required to report u/s 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and joint ventures of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the consolidated financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the financial statement of three unincorporated joint operations, whose financial information reflects total assets of ₹1,895.33 lakhs as at 31 March 2024, total revenues of ₹12,718.72, net profit of ₹511.12 lakhs and net cash inflows of ₹313.92 lakhs for the year then ended on that date, as considered in the consolidated financial statements. The financial information of these joint operations has been audited by other auditors whose reports have been furnished to us by the management of the Company, and our opinion in so far as it relates to the amounts and disclosures included in respect of these joint operations is solely based on the report of the other auditors.

The consolidated financial statements also include the Group's share of net profit of ₹2.08 lakhs for the year ended March 31, 2024, as considered in the consolidated financial statements, in respect of 1 associate and 3 joint ventures, whose financial statements, other financial information have been audited by other auditors and whose reports have been furnished to us by the Management.

Our opinion is not modified in this respect.

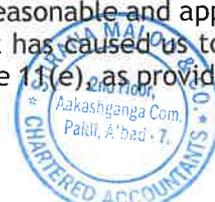

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the act, based on our audit we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2024 taken on record by the board of director of the Holding company, none of the directors of the Holding Company are disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in “Annexure - A”.
- (g) As being Private Limited Company, the requirement of the auditor of the other matter to be included in the independent Auditor’s Report in accordance with the requirement of section 197 of the Act, as amended is not applicable.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact of pending litigations on its financial position of the Group. Refer Note No. 43 to the consolidated financial Statement.
 - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding company.
 - iv)
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.

- v) The company has not declared or paid dividend during the year, hence compliance with section 123 of the Companies Act, 2013 is not applicable.
- vi) Based on our examination which included test checks and that performed by the respective auditors of the subsidiaries, associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act, the Holding Company, subsidiaries, associates and joint ventures have used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditors of the above referred subsidiaries, associates and joint ventures did not come across any instance of audit trail feature being tampered in respect of other accounting software. F
2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE - A

Annexure to the Independent Auditor's Report of even date on the Consolidated Financial Statements of LCC PROJECTS PRIVATE LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of LCC PROJECTS PRIVATE LIMITED on the consolidated financial statements for the year ended March 31, 2024]

In conjunction with our audit of the Consolidated Financial Statements of LCC PROJECTS PRIVATE LIMITED ("the Holding Company") as of March 31, 2024, we have audited the internal financial controls with reference to Consolidated Financial Statement of LCC PROJECTS PRIVATE LIMITED (hereinafter referred to as the "Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Group Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the group Company, has maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting with reference to these Consolidated Financial Statements and such internal financial controls over financial reporting with reference to these Consolidated Financial Statements were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(i) Company has mortgaged the property with SBI for working capital limit. It is further secured by way of personal guarantee of directors:

- Shri Arjanbhai Rabari and
- Shri Laljibhai Ahir

(ii) Leasing arrangements

Investment Property is leased out to tenant under operating lease.

(iii) Contractual obligations

The Company has no restrictions on the realisability of its investment property. There are no contractual obligations to purchase, construct or develop investment property as at the year end.

(iv) Operating lease commitments- as a lessor

Certain investment properties are leased to tenants under long-term operating leases with rentals payable monthly. The Company has given building and related equipment on lease. The Company has entered into both cancellable and non-cancellable lease agreements with the tenant. The details of future minimum lease rentals receivable under operating lease for each of the following periods as on March 31, 2024 and March 31, 2023 are mentioned below:

(v) Amounts recognised in the Statement of Profit and Loss for investment properties:

Particulars	As at 31st March, 2024	As at 31st March, 2023
Rental Income	136.67	21.97
Depreciation	43.85	7.31
Profit from investment property	92.83	14.66

(vi) The fair value of investment property as at year end as been disclosed below :

Particulars	As at 31st March, 2024	As at 31st March, 2023
Investment Property	2,008.01	1,803.60

Estimation of fair value

The best evidence of fair value is current prices in an active market for similar properties. Since investment properties leased out by the Company are operating leases, the market rate for sale/purchase of such premises are representative of fair values. Company's investment property are at a location where active market is available for similar kind of properties. Hence, fair value is ascertained on the basis of market rates prevailing for similar properties in those locations determined by an independent registered valuer, as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017, and consequently classified as a level 2 valuation.

B Fair Value Hierarchy

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at March 31, 2024:

Particulars	Fair Value Measurement as at March 31, 2024		
	Level 1	Level 2	Level 3
Financial Assets:			
a) Financial assets measured at Fair Value Through Profit and Loss	-	-	-
-Investments in properties	-	2,008.01	-

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at March 31, 2023:

Particulars	Fair Value Measurement as at March 31, 2023		
	Level 1	Level 2	Level 3
Financial Assets:			
a) Financial assets measured at Fair Value Through Profit and Loss	-	-	-
-Investments	0.64	1,803.60	-

Valuation technique used to determine fair value:

Level 1 : It includes Investment in equity shares and mutual fund that has a quoted price and which are actively traded on the stock exchanges. It is been valued using the closing price as at the reporting period on the stock exchanges.

Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : These instruments are valued based on significant unobservable inputs whereby future cash flows are discounted using appropriate discount rate.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement

C Capital Management

- i) For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets.
- ii) Consistent with others in the industry, the Company monitors its capital using Gearing Ratio, Net Debt (Short Term and Long Term Borrowings including Current maturities) divided by Total Equity (Capital plus Net Debt).

Particulars	(Rs. in Lakhs)	
	As at March 31, 2024	As at March 31, 2023
Long Term Borrowings (Refer Note 18)	5,341.10	2,272.03
Short Term Borrowings (Refer Note 21)	36,823.22	26,655.73
Less: Cash & Cash Equivalents (Refer Note 12)	599.47	707.12
Net Debt	41,564.85	28,220.64
Equity Share Capital	3,400.00	3,400.00
Other Equity		
Shareholders of LCC Projects Private Limited	34,882.54	22,722.49
Non-controlling interests	53.73	(3.56)
Total Equity	38,336.27	26,118.93
Gearing Ratio (in times)	1.08	1.08

- iii) In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define the capital structure requirements.

D Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include trade and other receivables, and cash & cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a Current Corporate Affairs Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. This committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedure and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each risk, which are summarised as below:

1 Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of interest rate risk, foreign currency risk and commodity risk.

1.1 Interest Rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's working capital obligations with floating interest rates. The Company is carrying its working capital borrowings primarily at variable rate. The Company expects the variable rate to decline, accordingly the Company is currently carrying its loans at variable interest rates.

The sensitivity analysis have been carried out based on the exposure to interest rates for loans carried at variable rate.

Particulars	As at March 31, 2024	As at March 31, 2023
Financial Liabilities:		
a) Variable Rate Borrowings (Rs. in Lakhs)	36,357.20	27,456.08
% change in interest rates	0.50%	0.50%
Impact on Profit for the year (Rs. in Lakhs)	181.79	137.28
b) Fixed Rate Borrowings (Rs. in Lakhs)	5,807.11	1,471.68
Financial Assets:		
a) Fixed Rate deposits with bank (Rs. in Lakhs)	20,181.53	14,416.01

1.2 Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company does not have significant exposure in foreign currency. The details of the same have been given in Note 38.

2 Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

The Company is having majority of the receivables from Government Authorities and hence they are secured from credit losses in the future.

3 Liquidity Risk

The Company monitors its risk of a shortage of funds by estimating the future cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, cash credit facilities and bank loans. The Company has access to a sufficient variety of sources of funding.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Particulars	(Rs. in Lakhs)

vi. Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and attrition rate. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting year, while holding all other assumptions constant. The results of sensitivity analysis is given below:

Particulars	As at March 31, 2024	As at March 31, 2023
Defined Benefit Obligation(Base)	179.32	88.48

Particulars	As at March 31, 2024		As at March 31, 2023	
	Decrease	Increase	Decrease	Increase
Discount Rate (- / + 1%)	17.61	14.80	11.08	9.09
(% change compared to base due to sensitivity)	9.82%	8.26%	12.53%	10.28%
Salary Growth Rate (- / + 1%)	13.47	15.73	9.21	10.81
(% change compared to base due to sensitivity)	15.22%	17.78%	10.41%	12.22%
Withdrawal Rate (-/+10%)	0.89	1.00	0.41	0.48
(% change compared to base due to sensitivity)	1.00%	1.13%	0.46%	0.54%

vii. Effect of Plan on Entity's Future Cash Flows

a) Maturity Profile of Defined Benefit Obligation

Weighted Average duration of the defined benefit obligation - 3.41 years

Particulars	As at March 31, 2024	As at March 31, 2023
Duration of the defined benefit obligation (discounted)		
1st Following Year	23.29	8.32
2nd Following year	8.88	3.30
3rd Following Year	11.08	3.53
4th Following Year	13.64	6.89
5th Following Year	17.50	6.21
Above 5	362.33	256.19
Total	436.72	284.44

The discount rate is based on the prevailing market yields of Government of India's securities as at the balance sheet date for the estimated term of the obligations.

The defined plans expose the Company to actuarial risks such as Interest rate risk, Salary risk, Investment risk.

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increase the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very low as insurance companies have to follow stringent regulatory guidelines which mitigate risk.

**Note 45 : First-time adoption of Ind AS continue
Notes**

1 Adjustments of the Previous Period

Adjustment to the previous period represent cumulative change in retained earnings upto beginning of the respective reporting period.

2 Adjustment to the opening balance of retained earning

For the purpose of Proforma Ind AS Standalone financial information for the year ended March 31, 2022, the Company has followed the same accounting policy as initially adopted on the transition date (i.e. April 1, 2022). Accordingly, suitable restatement adjustments in the accounting heads are made to the Proforma Ind AS Standalone financial information in the opening retained earnings of financial year ended 2022.

3 Investments

Fair value of mutual fund investments Under IGAAP, Mutual fund investments were valued at cost or market value whichever is lower. As per Ind AS 109, mutual fund investments needs to be stated at fair value. The difference between fair value and book value as on April 01, 2022 has been recognised through retained earnings.

4 Other Non current financial assets

Financial assets in the form of non-current interest free deposits retained by the customers have been accounted at fair value on the date of transition to Ind AS and subsequently measured at amortised cost using the effective interest rate method.

5 Deferred Tax(Net)

The Company on restatement has reassessed deferred tax asset and deferred tax liability taking into consideration the income tax rates prevailing in the respective years for timing difference or temporary differences as applicable and corresponding charge / credit has been made in the Profit and Loss Statement for the year to which it pertains.

6 Trade Receivable

As per Ind-AS 109, the Company applies Expected Credit Loss (ECL) model on Receivables and the same is provided in restated financials to the receivable pertains to respective years.

7 Current tax assets

Interest on Income Tax Refund has been recorded in the year of receipt. Also considered the tax impact of income tax return / assessment / orders of earlier years in the year of crystallisation of demand / refund. On restatement, such amounts have been recorded in respective year to which the income tax assessment relates.

8 Other Non current financial liabilities

Financial liabilities in the form non-current deposits of vendors retained by the Company has been accounted at fair value on the date of transition to Ind AS and subsequently measured at amortised cost using the effective interest rate method.

9 Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of statement of profit and loss under the previous GAAP. Consequently, the profit for the year ended March 31, 2017 increased by H0.08 Million. There is no impact on the total equity and profit

[Handwritten signatures]

Notes to Consolidated Financial Statement

All Amounts are Rs. in Lakhs unless otherwise stated

Note 45 : First-time adoption of Ind AS

These are the Company's first standalone financial statements prepared in accordance with Ind AS

The accounting policies set out in Note 1 have been applied in preparing the financial statements for the year ended March 31, 2024, the comparative information presented in these financial statements for the year ended March 31, 2023 and in the preparation of an opening IND AS Balance Sheet at April 1, 2022 (the Company's date of transition). In preparing its opening Ind AS Balance Sheet, the company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act ("previous GAAP"). An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance is set out in the following tables and notes:

Note 47 : Segment Reporting

The Company operates under one geographical segment in India, hence no separate geographical segment is disclosed. The company is engaged in business segment as given here under:

(a) Operating Segments

Operating segments are identified as those components of the Company (a) that engage in business activities to earn revenues and incur expenses; (b) whose operating results are regularly reviewed by the Company's Operating Decision Maker ('CODM') to make decisions about resource allocation and performance assessment and (c) for which discrete financial information is available.

The Group has determined following reporting segments based on the information reviewed by the Group's Chief Operating Decision Maker ('CODM').

- (i) Infrastructure Development comprising of Road construction, Railway infrastructure development, Water and Irrigation projects including Water Treatment System, etc.
- (ii) Mining activities of Kaolin Clay Crude and its processing.

(b) Identification of Segments:

The chief operational decision maker monitors the operating results of its business segment separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements, operating segment have been identified on the basis of nature of products and other quantitative criteria specified in the Ind AS 108.

(c) Segment assets and liabilities:

Segment assets include all operating assets used by the operating segment and mainly consist of property, plant and equipment's, trade receivables, Inventory and other operating assets. Segment liabilities primarily includes trade payable and other liabilities. Common assets and liabilities which can not be allocated to any of the business segment are shown as unallocable assets / liabilities.

(d) Statement showing details of Segment Reporting:

The Company does not have any transactions during the year with companies struck off under section 248 of the Companies Act, 2013 or section 560 of The Companies Act, 1956.

(iv) Compliance with number of layers of companies

The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.

(v) Undisclosed income

There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(vi) Details of crypto currency or virtual currency

The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.

(vii) Valuation of PPE, intangible asset and investment property

The Company has not revalued its property, plant and equipment (including right-of-use assets), Investment Property or intangible assets or both during the current or previous year.

(viii) Satisfaction Charge

The Company do not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.

Note 52 : Disclosure pursuant to Section 186 (4) of the Companies Act, 2013

The Company is engaged in the business of providing infrastructural facilities as per Section 186(11) read with Schedule VI of the Companies Act, 2013. Accordingly, the disclosures under Section 186(4) of the Companies Act, 2013 in respect of loans made, guarantees given or security provided are not applicable. However, company has not made any loans, given a guarantee or provided security to its directors.

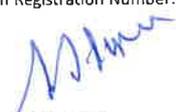

Note 53 : The Code on Social Security 2020 ('Code') has been notified in the Official Gazette on 29th September, 2020. The Code is not yet effective and related rules are yet to be notified. Impact if any of the change will be assessed and recognized in the period in which said Code becomes effective and the rules framed thereunder are notified.

Note 54 : Previous figures have been reclassified and regrouped wherever considered appropriate.

Note 55 : No subsequent event have been observed which may required an adjustment on the Balance Sheet date.

Notes to Consolidated Financial Statements

1. CORPORATE INFORMATION

LCC Projects Private Limited ('the Company'), incorporated in under the provisions of Companies Act, is a company domiciled in India with its registered office situated at B Wing, 15th Floor, Privilon Building, Vikram Nagar, Ambli - Bopal Rd, B\H Iskcon Temple, Ahmedabad.

The company is engaged in the business of construction of roads and highways, bridges, irrigation and mining projects, construction of commercial buildings, and other ancillary services like toll collection, operation and maintenance of highways.

2. BASIS OF PREPARATION

a. Basis of Accounting

Consolidated Financial Statements of the Company have been prepared as per Indian Accounting Standards (Ind AS) in accordance with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The financial statements were authorized for issue in accordance with a resolution of the directors on **September 05, 2024**.

Consolidated Financial Statements have been prepared on the historical cost convention, except for certain financial instruments that are measured at fair value at the end of each reporting period in accordance with Ind AS.

For all periods up to and including the year ended 31st March 2022, The Company prepared its Consolidated financial statements in accordance with accounting standards as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 (referred to as 'Indian GAAP'). These Consolidated financial statements are the Company's first Ind AS financial statements. The Company has adopted all the Ind AS standards and the adoptions were carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards. Previous period numbers in the financial statements have been restated to Ind AS. Reconciliations and descriptions of the effect of the transition have been summarized in Note 45. The details of the first-time adoption exemptions availed by The Company is given in Note 45. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. First time Adoption of Ind AS

These are the Company's first Consolidated financial statements prepared in accordance with Indian Accounting Standards (Ind AS). For the year ended March 31, 2023, the Company had prepared the Consolidated financial statements in accordance with Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act ('Previous GAAP').

Notes to Consolidated Financial Statements

The accounting policies set out in Notes to the Consolidated Financial Statements have been applied in preparing these consolidated financial statements for the year ended 31 March 2024 including the comparative information for the year ended March 31, 2013 and the opening Ind AS balance sheet on the date of transition i.e. April 1, 2022.

In preparing its Opening Ind AS Balance Sheet as at April 1, 2022 and in presenting the comparative information for the year ended 31 March 2023, the Company has adjusted amounts reported previously in financial statements prepared in accordance with Previous GAAP. This note explains the principal adjustments made by the Company in restating its financial statements prepared in accordance with Previous GAAP and how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows and disclosures.

- **Exemptions and Exception availed on first time adoption of Ind AS**

In preparing these Ind AS consolidated financial statements, the Company has availed certain optional exemptions and mandatory exceptions in accordance with Ind AS 101 from previous GAAP to Ind AS, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and previous GAAP have been recognized directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Company in restating its previous GAAP financial statements as at April 1, 2022 and the financial statements as at and for the year ended March 31, 2023.

- **Deemed Cost of Property, Plant and Equipment (PPE)**

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 'Intangible Assets. Accordingly, the company has elected to measure all of its property, plant and equipment, intangible assets and investment properties at their previous GAAP carrying value.

- **Use of Estimates**

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates are based on conditions/information that existed at the date of transition to Ind AS i.e. April 1, 2022 and are consistent with the estimates as at the same date made in conformity with previous GAAP. The company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- Fair Valuation of Financial Instruments carried at FVTPL or FVOCI;
- Impairment of financial assets based on expected credit loss model;
- Discount Rates considered for measurement of financial instruments and provisions

Notes to Consolidated Financial Statements

- **DE recognition of financial assets and financial liabilities**

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognized as a result of past transactions was obtained at the time of initially accounting for those transactions. The Company has elected to apply the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

- **Classification and measurement of financial assets**

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Consequently, the Company has applied the above assessment based on facts and circumstances existing on the transition date

- **Impairment of financial assets**

The Company has applied impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognized in order to compare it with the credit risk at the transition date.

c. Functional and Presentation Currency

These Consolidated Financial Statements are presented in Indian Rupees (₹), which is also the functional currency. All amounts have been rounded off to the nearest lakhs, except per share data, face value of equity shares and expressly stated otherwise.

3. SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The application of the Company's material accounting policies in the preparation of the Consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, accompanying disclosures and disclosures of contingent liabilities. Estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognized prospectively. Actual results may differ from these estimates which could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Current/ Non-Current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i. the asset/liability is expected to be realized/settled in the Company's normal operating cycle;
- ii. the asset is intended for sale or consumption;
- iii. the asset/liability is expected to be realized/settled within twelve months after the reporting period;

Notes to Consolidated Financial Statements

- iv. the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- v. In the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

b. Key Sources of estimation uncertainties

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described in the below mentioned notes

- **Property, Plant and Equipment and Intangible Assets**

Useful lives of tangible and intangible assets are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical estimates and advice, taking into account the nature, estimated usage and operating conditions of the asset. Component Accounting is based on the management's best estimate of separately identifiable components of the asset.

- **Fair value measurement of financial instruments**

In estimating the fair value of financial assets and financial liabilities, the Company uses market observable data to the extent available. Where such Level 1 inputs are not available, the Company establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

- **Defined benefit plans**

The cost of the defined benefit plan and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Information about the various estimates and assumptions made in determining the present value of defined benefit obligations are disclosed in Note 37.

Notes to Consolidated Financial Statements

- **Current / Deferred Tax Expense**

Significant management judgement is required to determine the amounts of current taxes, deferred taxes and tax credits that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

- **Revenue Recognition based on Percentage of Completion**

Based on the output performance method such as survey of performance undertaken by qualified professionals, percentage of completion for each project is derived. Accordingly, based on percentage of work completed, contract revenue is recognised in the financial statements.

- **Provision for estimated losses on construction contracts**

When it is probable that total contract costs will exceed contract revenues, the expected loss is required to be recognized as an expense immediately. The major component of contract estimate is budgeted costs to complete the contract. While estimating the total costs, management makes various assumptions such as the timeliness of project completion, the estimated costs escalations and consumption norms.

4. MATERIAL ACCOUNTING POLICIES

a. Basis of Consolidation

Subsidiaries

The consolidated financial statements comprise the financial statements of the Holding Company, and its subsidiary companies where Control exists when the Holding Company is exposed to, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns through power over the entity. The financial statements of below mentioned subsidiary companies are included in these consolidated financial statements from the date that control commences until the date that control ceases.

Name of Subsidiary	% of Holding by ultimate holding company as on	
	March 31, 2024	March 31, 2023
Doms Delicious Private Limited	95.00	95.00
LCC Minechem Private Limited	51.00	51.00

Name of Associates	% of Holding by ultimate holding company as on	
	March 31, 2024	March 31, 2023
Gramang Hydel Projects LLP	20.00	20.00

Interest in Joint Arrangements

As per Ind AS 111 - Joint Arrangements, investment in Joint Arrangement is classified as either Joint Operation or Joint Venture. The classification depends on the contractual rights and obligations of each investor rather than legal structure of the Joint Arrangement.

Notes to Consolidated Financial Statements

In case of Joint Operation

The Company recognises its direct right to assets, liabilities, revenue and expenses of Joint Operations and its share of any jointly held or incurred assets, liabilities, revenues and expenses. These have been incorporated in the financial statements under the appropriate headings and are included in the segments to which they relate.

The audited financial information of below mentioned joint operations ventured by the company for years mentioned there against have been included in the Consolidated financial statements:

Name of Joint Operations	% of Holding by ultimate holding company as on	
	March 31, 2024	March 31, 2023
SBP JV Laxmi	22.00	22.50
Adani LCC JV	20.00	20.00
LCC Sai KSIPL JV	55.00	46.00
LCC MCL JV	90.00	90.00
JWIL LCC JV*	30.00	30.00
MPPL LCC JV**	25.00	00.00

* Incorporated as on 09.05.2022

** Incorporated as on 05.10.2023

Procedures of Consolidation:

The assets, liabilities, income and expenses of subsidiaries and joint operations are aggregated and consolidated, line by line; from the date control is acquired to the date it ceases. Profit or loss and each component of other comprehensive income are attributed to the Group as owners and to the non-controlling interests.

Carrying amount of the Holding Company's investment in each subsidiary, Joint operations and the Holding Company's portion of equity of each subsidiary are offset (eliminated).

Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions) that are recognised in assets, such as inventory and property, plant and equipment, are eliminated in full, except as stated in below mentioned paragraph.

Non-controlling interest represents that part of the total comprehensive income and net assets of subsidiaries attributable to interests which are not owned, directly or indirectly, by the Holding Company.

b. Goodwill or Capital Reserve on Consolidation

Goodwill on consolidation as on the date of transition represents the excess of cost of acquisition at each point of time of making the investment in the subsidiary over the Group's share in the net worth of a subsidiary. For this purpose, the Group's share of net worth is determined on the basis of the latest financial statements, prior to the acquisition, after

Notes to Consolidated Financial Statements

making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition.

Capital reserve on consolidation represents excess of the Group's share in the net worth of a subsidiary over the cost of acquisition at each point of time of making the investment in the subsidiary. Goodwill arising on consolidation is not amortised, however, it is tested for impairment annually. In the event of cessation of operations of a subsidiary, the unimpaired goodwill is written off fully.

Goodwill on consolidation arising on acquisitions on or after the date of transition represents the excess of the cost of acquisition at each point of time of making the investment in the subsidiary, over the Group's share in the fair value of the net assets of a subsidiary.

c. Property, Plant and Equipment

• Recognition and Measurement

Property, Plant and Equipment are measured at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price, non-refundable taxes and duties and all other costs attributable to bringing the asset to its working condition for intended use and estimated costs of dismantling and removing items and restoring the site on which it is located. Financing costs relating to borrowing funds attributable to acquisition of Property, Plant and Equipment are also included, for the period till such asset is put to use.

Spare parts and servicing equipment are recognized as property, plant and equipment, if they meet the definition property, plant and equipment and are expected to be used for more than one year. All other items of spares and servicing equipment are classified as item of inventories.

Subsequent Expenditure is capitalized only if it is probable that the future economic benefit associated with the expenditure will flow to the company and cost of the asset can be measured reliably.

Property, Plant and Equipment not ready for its intended use on the reporting date is disclosed as Capital Work-in-Progress and carried at cost.

• Depreciation

Depreciation on Property, Plant and Equipment is provided on the Straight Line Method (SLM) over the useful life of the assets as prescribed under Schedule II to the Companies Act, 2013. In respect of the Property, Plant and Equipment purchased during the year, depreciation is provided on pro rata basis from the date on which such asset is ready to be put to use. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any such change in the estimate accounted for on a prospective basis.

The estimated useful lives of items of Property, Plant & Equipment as prescribed in Schedule II of Companies Act, 2013 are as follows

Asset Class	Estimated Useful Life
Buildings (incl. temporary structures)	3 - 60 Years

Notes to Consolidated Financial Statements

Plant & Machineries	3 - 15 years
Office Equipment	5 -years
Furniture & Fixtures	10- years
Vehicles	8 - 10 years
Computers & Peripherals	3 - 6 years

• **Derecognition**

Carrying amount of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

d. Investment Property

Recognition and initial measurement

Investment properties are held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition including transaction costs. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that incremental future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred. Subsequent measurement (depreciation and useful lives) Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on investment properties is provided on the straight-line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II to the Companies Act, 2013:

Asset Class	Estimated Useful Life
Buildings	60 Years

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes.

De-recognition

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their

Notes to Consolidated Financial Statements

disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of de-recognition.

e. Intangible Assets

- **Recognition and Measurement**

Intangible assets with finite useful lives that are acquired separately are measured on initial recognition at cost and carried at cost less accumulated amortization and accumulated impairment losses.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in profit and loss statement.

- **Amortization**

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method. Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

The estimated useful lives of Intangible assets are as under:

Asset Class	Estimated Useful Life
Software application	3-12 years

- **Derecognition**

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Impairment of Tangible and Intangible Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Notes to Consolidated Financial Statements

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

a. Inventories

Stock of construction materials, stores & spares and embedded goods and fuel is valued at cost or net realizable value, whichever is lower after providing for obsolescence, if any, except in case of byproducts which are valued at net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and directly attributable overheads incurred in bringing them to their present location and condition. Cost is determined on First in First Out basis.

Project Work in Progress

Project work in progress represents uncertified inventory valued at contract rate pending final certification.

Raw materials are valued at weighted average cost including all charges in bringing the materials to the present location. Stock of finished goods is valued at cost or net realizable value, whichever is lower after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and directly attributable overheads incurred in bringing them to their present location and condition.

b. Foreign Currency Transactions

Transactions in foreign currencies are translated into the respective functional currencies of the Company at the exchange rates at the date of the transaction or at an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Nonmonetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional

Notes to Consolidated Financial Statements

currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in profit or loss.

c. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as a part of the cost of such asset. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All others borrowing cost are recognized in the profit and loss in the period in which they are incurred.

d. Revenue Recognition

The Company has applied Ind AS 115 - Revenue from Contracts with Customers which is effective for an annual period beginning on or after April 1, 2018. The following is the significant accounting policy related to revenue recognition under Ind AS 115.

• Service income

It requires a contract as well as the various performance obligations contained in the contract to be identified. The number of performance obligations depends on the types of contracts and activities.

The fundamental principle is that the recognition of revenue from contracts with customers must reflect;

- the rate at which performance obligations are fulfilled, corresponding to the transfer to a customer of control of a good or service;
- Amount to which the seller expects to be entitled as consideration for its activities. The way in which transfer of control of a good or service is analyzed is crucial, since that transfer determines the recognition of revenue. The transfer of control of a good or service may take place continuously (revenue recognition on a progress towards completion basis) or on a specific date (recognition on completion).

Service income is recognized as per the terms of contracts with the customers when the related services are performed as per the stage of completion or on the achievement of agreed milestones and are net of indirect taxes, wherever applicable.

Contract amendments (relating to the price and/or scope of the contract) are recognized when approved by the client. Where amendments relate to new goods or services regarded as distinct under Ind AS 115, and where the contract price increases by an amount reflecting "stand-alone selling prices" of the additional goods or services, those amendments are recognized as a distinct contract.

Notes to Consolidated Financial Statements

Goods and Service Tax [GST] is not received by the Company on its own account. Rather, it is tax collected on value added to the goods by the Company on behalf of the government. Accordingly, it is excluded from revenue.

- **Sale of Goods**

Revenue from the sale of goods is recognized as revenue on the basis of customer contracts and the performance obligations contained therein. Revenue is recognized at a point in time when the control of goods is transferred to a customer. Control lies with the customer if the customer can independently determine the use of and consume the benefit derived from a product or service. Revenue from product deliveries are recognized at a point in time based on an overall assessment of the existence of a right to payment, the allocation of ownership rights, the transfer of risks and rewards, and acceptance by the customer.

- **Other Income**

Interest income is recognized on a time proportion basis, by reference to the principal outstanding and the applicable Effective Interest Rate (EIR). The EIR is the rate that exactly discounts estimated future cash payments or receipts through the expected life of financial instruments to:

- The gross carrying amount of the financial assets, or
- The amortized cost of the financial liability

- e. Dividend income is recognized when the right to receive dividend is established **Contract Balances**

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Notes to Consolidated Financial Statements

f. Employee Benefits

- **Defined benefit plans**

The company's gratuity benefit scheme is defined benefit plan. The company's net obligation in respect of defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The Company accounts for the liability for the gratuity benefits payable in future based on an independent actuarial valuation carried out using Projected Unit Credit Method considering discounting rate relevant to Government Securities at the Balance Sheet Date.

Defined benefit costs in the nature of current and past service cost and net interest expense or income are recognized in the statement of profit and loss in the period in which they occur. Actuarial gains and losses arising from defined benefit plans in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and is reflected immediately in retained earnings and not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment.

The Company determines the net interest expense/ (income) on the net defined benefit liability/ (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability/ (asset), taking into account any changes in the net defined benefit liability/ (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

- **Defined Contribution plan**

Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employee.

- **Compensated Absences**

Employees can carry forward a portion of the unutilized accrued leaves and utilize it in future service periods or receive cash compensation on termination of employment. Provision for Compensated Absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method as at the reporting date.

Notes to Consolidated Financial Statements

- **Short Term Employee Benefits**

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. These are measured on an undiscounted basis and expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

g. Income Tax

Income tax comprises of current tax and deferred tax. It is recognized in the profit and loss statement, except to the extent that it relates to and item recognized directly in equity or in other comprehensive income.

- **Current Tax**

Current tax comprises of the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current income tax liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted at the reporting date.

Minimum Alternate Tax (MAT) eligible for set-off in subsequent years (as per tax laws), is recognised as an asset by way of credit to the Statement of Profit and Loss only if there is convincing evidence of its realisation. At each Balance Sheet date, the carrying amount of MAT Credit Entitlement receivable is reviewed to reassure realization.

- **Deferred Tax**

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities in the company's financial statements and the corresponding tax bases used in computation of taxable profit. Deferred Tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Notes to Consolidated Financial Statements

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Any tax credit available is recognised as deferred tax to the extent that it is probable that future taxable profit will be available against which the unused tax credit can be utilized. The said asset is created by way of credit to the statement of Profit and loss and shown under the head of deferred tax.

h. Segment Reporting

In accordance with the requirements of Ind AS 108 - "Segment Reporting", the Company is primarily engaged in a business of Infrastructure Development and has no other primary reportable segments. Further, the Company operates on Pan India basis and accordingly has no reportable geographical segments. The Managing Director of the Company allocates the resources and assess the performance of the Company, thus he is the Chief Operating Decision Maker (CODM). The CODM monitors the operating results of the business as a single segment, hence no separate segment needs to be disclosed.

i. Provisions Contingent Liabilities & Contingent Assets

A provision is recognized when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated at the reporting date.

Provision are recognized base on the best estimate of the management with respect to the amount required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows when the effect of the time value of money is material.

Disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

A contingent asset is not recognized but disclosed in the financial statements where and inflow of economic benefits is probable.

j. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Notes to Consolidated Financial Statements

- **Financial assets**

(i) Initial recognition and measurement of financial assets

All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss are added to the fair value on initial recognition. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e. the date that the Company commits to purchase or sell the asset.

(ii) Subsequent measurement of financial assets

For purposes of subsequent measurement, financial assets are classified in three categories:

- **Financial assets at amortized cost:**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

- **Financial assets at fair value through other comprehensive income:**

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

- **Financial assets at fair value through profit or loss:**

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as at FVTPL.

- **Investments in Equity Instruments**

All Equity Investments falling within the scope of Ind AS – 109 are measured at Fair Value through Profit and Loss (FVTPL) with all fair value changes being recognized in profit and loss statement.

(iii) De-recognition of financial assets

A financial asset is de-recognized when the contractual rights to the cash flows from the financial asset expire or the Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Notes to Consolidated Financial Statements

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

(iv) Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

● Financial Liabilities

(i) Initial recognition and measurement of financial liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

All financial liabilities are recognised initially at fair value. All financial liabilities are recognised initially at fair value and, in the case of loan and borrowings and payable, net of directly attributable transaction costs.

For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(ii) Subsequent measurement of financial liabilities

The measurement of financial liabilities depends on their classification, as described below:

● Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Notes to Consolidated Financial Statements

• Loans and Borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

(iii) Derecognition of financial liabilities

A financial liability (or a part of a financial liability) is derecognised from its balance sheet when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if the Company currently has enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

k. Lease

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i. Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease. Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis from the commencement date to the end of lease term. If ownership of the leased asset transfers to the Company at the end

Notes to Consolidated Financial Statements

of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies of Impairment of non-financial assets.

ii. Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

iii. Short term leases and leases of low value of assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment. It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

I. Fair Value Measurement

The company measures financial instrument such as Investment in Mutual Fund at fair value at each balance sheet date.

Notes to Consolidated Financial Statements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market price in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on yearly basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

Notes to Consolidated Financial Statements

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Significant accounting judgements, estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Financial instruments (including those carried at amortized cost)

m. Cash and Cash Equivalents

Cash and Cash Equivalents in the Balance Sheet comprise cash on hand, bank balance in current and cash credit accounts and short term highly liquid instruments.

n. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

o. RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.
