Environment, Health and Safety Policy **(EHS)**

We, LCC Projects Limited (“LPL”), is committed to conduct its business with the highest standards of environmental protection, health care and safety performance (“EHS”) through leadership, accountability, and continuous improvement.

➤ **Objectives and Guiding Principles:**

- To establish leading EHS practices and to implement them with commitment and accountability across all locations, operations, and employees of the company.
- To ensure compliance with all applicable laws and statutory rules & regulations.
- To identify and assess health, safety hazards and eliminate them and if not possible then reduce risk to as low as reasonably practicable before an incident/accident occurs as a preventive measure and ensure continual improvement of EHS standards of LPL in line with ISO45001 & 1SO14001 requirements.
- To conserve energy & water and minimize environmental impact through efficient usage of resources, waste reduction and pollution control.
- To provide sufficient resources and regular EHS training to employees of the organization.
- To make the policy publicly available and communicate it to all employees for their commitment and efficient implementation.
- To review and assess the performance of this policy at regular intervals.
